

CELEBRATE LIVING WITH
MODERN DESIGN

How It All Began

The journey of Homebell Interiors began with two sisters, **Shahin Praveen** and **Sheema Praveen**, who wanted to design their own dream homes. As they went through the process, they realized how disorganized and difficult the interior design industry was finding the right professionals, managing different tasks, and ensuring fair prices and quality were big challenges.

Seeing that many others faced the same issues, they decided to do something about it. They founded **Homebell Interiors** with a simple goal: to make home design easier, transparent, and stress-free for homeowners.

Today, **Homebell Interiors** is trusted by many to provide complete home design and renovation solutions, offering high-quality work, reliable professionals, and a smooth experience from start to finish.
